CITY COUNCIL AGENDA

8/11/2026

Agenda Item Number: a.

Agenda Item: Consider approval of announcing the City Council's intention to adopt a tax rate in compliance with the Texas State's Truth in Taxation laws; a rate not to exceed \$0.3789 per \$100 valuation for the City's 2026-2027 Fiscal Year (Tax Year 2026). **Roll call vote**

Initiating Department/Presenter: Finance

Presenter:

Lance Hall, Finance Director

Recommended Motion: Move to approve the City Council's intention to adopt a tax rate in compliance with the Texas State's Truth in Taxation laws; a rate not to exceed \$0.3789 per \$100 valuation for the City's 2026-2027 Fiscal Year (Tax Year 2026), and announce the Public Hearing on the Tax Rate to be held during the September 15, 2026, meeting. The current vote to adopt a Tax Rate will also be scheduled for the September 15, 2026, City Council meeting. **Roll call vote.**

Strategic Initiative: Strategic Priority #5, Engagement - Build strong relationships within our organization and community with a focus on our culture of core values as expressed in Service, Trust, Accountability, and Respect. Provide a welcoming and collaborative environment that fosters mutual partnership between the city government, community organizations, and our residents.

Discussion: In order to comply with State "Truth-in-Taxation" laws, the City Council must announce its intent to adopt a tax rate. Making this announcement using language in the recommended motion, the Council may ultimately adopt a rate below the amount declared, but cannot adopt a rate that exceeds the maximum rate declared. The rate used currently for preparing the FY 26-27 Budget is \$0.3775. Using the \$0.3789 rate as the proposed "not to exceed" rate for this agenda item allows for flexibility to adopt a property tax rate above the "No-New-Revenue" rate and above the rate currently used for the FY 26-27 Budget should Council desire to increase the budget for any operational expenditures of the General Fund in excess of the City Manager's proposed budget for FY 26-27. The \$0.3789 proposed "not to exceed" rate is below the "Voter Approval" rate for FY 26-27. The preliminary Voter Approval rate was provided to the City by the Appraisal District on August 1, 2026. Because the tax rate included in this agenda item exceeds the "No-New-Revenue" rate (the tax rate at which the City would collect the same amount of property tax in FY 26-27 as it will for FY 25-26; (excluding new property added to the rolls) a public hearing on the Tax Rate will be required. In order to comply with the timing requirements in the "Truth-in-Taxation" laws for public hearings and adoption of the FY 2026-2027 Budget and Tax Rate, the Public Hearing on the Tax Rate should be held during the September 15, 2026 meeting. Senate Bill 2 from the 2019 Texas Legislative session now only requires one public hearing on the Tax Rate and the hearing can be at the same meeting as when the actual vote on the rate is scheduled. The actual vote to adopt a Tax Rate will be scheduled for the September 15, 2026 City Council meeting. Staff will ensure all required publications and notices are made. The Notice document included in this agenda item will be published in the Huntsville Item and will be posted on the City's website.

Previous Council Action: None

Financial Implications: There is no financial impact associated with this item. The actual fiscal impact of this comes formally with the budget and tax rate adoption in September.

Taxpayer Impact Statement

House Bill 1522 amends Section 551.043 of the Texas Government Code to add new notice requirements under the Texas Open Meetings Act. Specifically, when a governmental body posts notice of a meeting under Section 551.043(a)(c) at which it will discuss or adopt its budget, the notice must now include a taxpayer impact statement.

The taxpayer impact statement must show, for the median-valued homestead property within the governmental body's jurisdiction:

- The property tax bill in dollars for the current fiscal year, and
- An estimate of the property tax bill in dollars for the upcoming fiscal year.

This requirement is intended to increase transparency by allowing taxpayers to see how proposed budgets may directly affect their property tax bills.

Taxpayer Impact Statement

House Bill 1522 amends Section 551.043 of the Texas Government Code to add new notice requirements under the Texas Open Meetings Act. Specifically, when a governmental body posts notice of a meeting under Section 551.043(a)(c) at which it will discuss or adopt its budget, the notice must now include a taxpayer impact statement.

The taxpayer impact statement must show, for the median-valued homestead property within the governmental body's jurisdiction:

- The property tax bill in dollars for the current fiscal year, and
- An estimate of the property tax bill in dollars for the upcoming fiscal year.

This requirement is intended to increase transparency by allowing taxpayers to see how proposed budgets may directly affect their property tax bills.
